TO ALL PARTIES AND TO THEIR ATTORNEYS OF RECORD:

PLEASE TAKE NOTICE that Petitioner Jason Knopke requests that the Court, pursuant to Evidence Code section 452, subdivisions (g) and (h), take judicial notice of the two sets of facts and propositions below that are not only (1) of such common knowledge within the territorial jurisdiction of the Court that they cannot reasonably be the subject of dispute, but also

1 (2) are capable of immediate and accurate determination by resort to sources of reasonably
2 indisputable accuracy, like common sense and common knowledge.

3 Evidence Code section 453 further provides: “The trial court *shall* take judicial notice of
4 any matter specified in Section 452 if a party requests it and: (a) Gives each adverse party
5 sufficient notice of the request, through the pleadings or otherwise, to enable such adverse party
6 to prepare to meet the request; and (b) Furnishes the court with sufficient information to enable it
7 to take judicial notice of the matter.” (Emphasis added,). This Request for Judicial Notice
8 provides the Commission and LAUSD with more than sufficient notice, in that the hearing on the
9 Petition for a Writ of Mandate is not yet scheduled, and the other parties have the opportunity to
10 file objections to such Request if they have any.

11 **Conclusion**

12 Based on the foregoing, Petitioner respectfully requests this Court to take judicial notice
13 of the below listed facts.

18 **Request for Judicial Notice No. 1:**

19 “The Governing Board of the Los Angeles Unified School District, pursuant to education
20 Code section 35160, may set the District’s official policies that do not conflict with, or are
21 inconsistent with, or preempted by, any law. However, for any public school governing board to
22 act as a whole to adopt public school district policies, such governing boards must hold noticed,
23 public meetings pursuant to the Ralph M. Brown Act, on which the discussion of any such policy
24 must be agenda-ized as a proposed resolution. The Board must then discuss and vote, as a
25 whole, on such resolution, and, if the resolution is adopted, the resolution must then be given a
26 unique number, and it and its adoption must be memorialized as part of the District’s official
27 public records.”

Request for Judicial Notice No. 2:

When one engages in an activity without knowing the outcome in advance, one can be considered to be engaged in an experiment to see what will happen. When that activity involves a medical intervention of any kind, whether a procedure, medication, operation, injection or process, anyone of which may have side effects, then each person who submits to such medical intervention without knowing, in advance, of what benefits or detriments it may cause, then that person may be said to be engaging in an experiment

It follows that a human being participating in medical intervention, of any kind, is a participant a human medical experiment.
